
National Society of Leadership and Success Presidential Status Letter

Description: I was selected for membership in the National Society of Leadership and Success in August of 2012. Full induction required attendance at three leadership seminars, three Social Networking Team meetings, and completion of four hours of community service. Individuals achieving above and beyond minimum requirements receive Presidential Status within the Society. I was informed of my distinction and excellence during the ceremony and was awarded this letter to commemorate my achievement.

Dear Erica Torre,

Congratulations on your achievement of Presidential status in The National Society of Leadership and Success. It is truly an accomplishment to reach such a prestigious rank in an honorary success and leadership organization such as Sigma Alpha Pi. It takes devotion to academics, commitment to excellence, and above all, a determination to succeed.

This honor bestowed upon you is only attained by a small select group of distinguished members of the Society who have been trained in leadership skills as well as maintained a top GPA. It is a distinction that many strive towards but few receive. This marks a point of renowned fulfillment, and it sets the stage for the crowning of your future success.

Your support towards the Society comes with consistent effort to succeed in all that you do. It gives me great pleasure to award you with this Presidential Letter of Excellence and to promote you to Presidential Member status in The National Society of Leadership and Success.

Once again, I commend you on your excellence and wish you continued success.

Sincerely,

A handwritten signature in black ink that reads "Gary Tuerack". The signature is written in a cursive style with a large initial "G".
