Erica Torre
IT Specialist

The mission of Bridging The Gap Communication Group is to promote and support employee development and effectiveness by providing extensive and interactive training in the areas of team building, conflict resolution, relationship compatibility, and workplace diversity and sensitivity. We assess the needs of the organization, initiate a comprehensive training program, and maximize employee potential through our hands-on and interactive training sessions.

Bridging the Gap Communication Group strives to aid organizations in linking other cultures together. We have acquired the necessary skills and knowledge to heighten mentoring and coaching abilities of employees who may come from different cultures, religions, and/or political backgrounds. Ultimately, we want our clients to have their employees create and maintain a

"Bridging The Gap Communication Group did an excellent job of training my mentors on the topic of diversity. They are well prepared for the upcoming semester and ready to face any obstacles."
